## **CASTING**

\* A Tremlin is part doll with crazy hair, part furry mystical being.

The characters of Cindy, Ella, Dynasty, Krystal, Alexis are female.

In the movies that this play pays homage to, the characters of the LaCliques would be female, Prince and Prince Posse would be male. If you have the cast and the dream to make it otherwise - go for it!

All other roles can be cast to reflect character or actor as you will.
